

# DEPARTMENT OF BASIC SCIENCES

## DEPARTMENT ACTIVITIES

## Department Activities

- Project demonstration event organized by Science Association of Department of Basic Sciences on March 13, 2020.
- Department of Basic Sciences in Collaboration with Extension activity committee of college organized a visit to Special Children Resource Centre, Sri Muktsar Sahib and celebrated Lohri Festival with special children by distributing them sweets and school kits in Presence of DEO of Muktsar Mr. Malkeet .Singh and Incharge Special Children Resource Centre Ms. Jagbir Kaur on January 23, 2020.
- Department has Organized National Physics Graduate Examination by Indian Association Of Physics Teachers on January 19, 2020.
- Department of Basic Science has organized five days camp in association with Innovation in Science Pursuit for inspired research (INSPIRE), a flagship programme of DST, Government of India on September 23-27, 2019.
- Student Orientation Programme organized by department in August, 2019.
- Department has organized farewell party of outgoing students of 2018-19 on April 16, 2019.
- Department has organized one day educational trip to visit Fish Farm at RaikeKalan, April 5, 2019.
- Department has organized one day educational trip to visit Botanical Garden, PAU, Ludhiana, March 15 ,2019.
- Department has organized two days National workshop NSAR-2019 in association with Indian Association of Nuclear Chemist & Allied Scientist (IANCAS), BARC Mumbai on March 9-10, 2019.
- Department of Basic Sciences has Organized CDC sponsored National Seminar “ERTEP” held on February 22, 2019.
- Project demonstration event organized by Science Association of Department of Basic Sciences on April 14, 2019.
- Department has Organized National Physics Graduate Examination by Indian Association Of Physics Teachers on January 20, 2019.
- Department organized four days tour to Jaipur, Ranthambore, Ajmer and Pushkar from October 27-31, 2018.
- Student Orientation Programme organized by department in August, 2018.
- Department has organized farewell party of outgoing students of 2016-17 on April 20, 2018.
- Project demonstration event organized by Science Association of Department of Basic Sciences on April 17, 2018.
- Department has organized extension lecture on Pedigree selection on March 28, 2018.
- Department has organized one day educational trip to Fish farm on March 10, 2018.

- Department has Organized one day Botanical trip to Harike Pattan & Saada Pind on March 6, 2018.
- Department has Organized National Physics Graduate Examination by Indian Association Of Physics Teachers on January 21, 2018.
- Department has Organized 3<sup>rd</sup> Science Mania-2017 on World Science Day November 10, 2017.
- Department has Organized four days tour to Kullu-Manali(H.P.) from October 1-4, 2017.
- Student Orientation Programme organized by department in August, 2017.
- Department has organized farewell party of outgoing students of 2015-16 in April, 2017
- Department has Organized National Physics Graduate Examination by Indian Association Of Physics Teachers on January 22, 2017.
- Department has organized four days tour to Udaipur, Jodhpur, Mount Abu from October 10-14, 2016.
- Department has organized one day educational trip to Science city, Kapurthala on September 17, 2016.
- Department has Organized “ Science Contest-2016” on September 14, 2016.
- Student Orientation Programme organized by department in August, 2016.
- Department has organized farewell party of outgoing students of 2014-15 on March 4, 2016.
- Extension Activities RAI (Rural Academia Interface), organized one day social awareness camp in KhunanKalan, Sri Muktsar Sahib related to Vermicomposting on April 12, 2016.
- Department has organized two days tour to Botanical Garden, at Panjab University Chandigarh on February 19-20, 2016.
- Department has Organized one day Inter college Science Mania-2016 on February 2, 2016.
- Department has organized Special lecture on the topic “Computational Chemistry: The Ultimate way to understand & simulate Nanomaterials” by Dr. NeetuGoel, Assistant Professor, Department of Chemistry, Panjab University Chandigarh on February 16, 2016.
- Department has organized Special lecture on the topic “ Magnetically retrievable ferrite nanoparticles: An approach towards Green Catalysis” by Dr. SonalSinghal, Assistant Professor, Department of Chemistry, Panjab University Chandigarh on February 16, 2016.
- Department has Organized one day trip to Fish Farm at RaiKeKalan on November 4, 2015.
- Department has organized four days tour to Sahlasar, Jaipur, Pushkar & Ajmer from October 22-25, 2015.

- Department has organized Extension lecture on the topic “ Synthesis, Properties & Application of Nanomaterials” by Dr. Kamlesh Yadav, Assistant Professor, Centre for Physical Sciences, Central University of Punjab on September 24, 2015.
- Student Orientation Programme organized by department in August, 2015.
- Department organized Science fair ‘Science mania-2015’,on February 02, 2015.
- Department has organized extension lecture on the topic “Orchids & Biotechnology” by Dr. Promila Pathak, Professor, Department of Botany, Panjab University Chandigarh on November 03, 2014.
- Department organized one day educational trip to Botanical Garden at PAU Ludhiana in November, 2014.
- Student Orientation Programme organized by department in August, 2014.
- Department organized farewell party for session 2012-13 in March, 2014.
- Student Orientation Programme organized by department in August, 2013.
- Department organized farewell party for session 2011-12 in March, 2013.
- Organized departmental educational trip to visit the botanical garden, PAU Ludhiana in February, 2013.
- Department organized one day educational trip to Thermal Plant, Bathinda on December 31, 2012.
- Departmental trip to visit the Anandpur Sahib and Naina Devi November 16-17, 2012.
- Student Orientation Programme organized by department in August, 2012.
- Student Orientation Programme organized by department in August, 2011.
