Project work in M.Sc:

Electromagnetically Induced Transparency

Seminars and workshops attended:

- Participated in one day state level Workshop on “ Education in National Education Policy-2019 ” (26 November2019)
- Participated in Two Days BRNS – IANCAS National Workshop on” Nuclear Sciences and Applications of Radioisotopes” (09 – 10 march 2019)
- Presented “Electromagnetically Induced Tranparency” in the National Seminar on “Emerging Research Trends in Experimental Physics” (22 february 2019)
- Participated in an International workshop on accelerators held at IIT Roorkee, in march 2017.
