6. Outcome of the Activity: The Department of Chemistry of college has organized an educational visit to IISER, Mohali, sponsored by DBT, New Delhi under Star College Scheme on 24-5-2020. More than 40 students of B.Sc. Medical and Non-medical and M.Sc. Physics enthusiastically participated in this educational visit and acquired the knowledge of various research lab facilities available in IISER, Mohali and got exposure for future research prospects in science education and research. The students were overwhelmed to see the various laboratories like NMR Research Facility (NMR), X-ray Facility– X-ray Diffraction Crystallography, Cell Culture Facility, Atomic Force Microscope lab, Laser Raman and AFM

Facility, Atmospheric Chemistry Facility, Scanning Electron Microscopy, DC Sputtering, Liquid Helium Facility etc. The faculty members of The Departments of Chemistry and Physics accompanied the students. This educational visit boosted the morale of the students and enlightened the scientific temper among the students.
